37 CFR § 1.322 REQUEST FOR CERTIFICATE OF CORRECTION

ATTN: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Honorable Sir:

Patent Owner respectfully requests, in accordance with 37 CFR § 1.322, that a Certificate of Correction be issued to correct the mistake in U.S. Patent Number 7,023,089 (“the ‘089 Patent”) as discussed below. Please find submitted herewith a correction form (PTO/SB/44) showing the requested change to correct the inadvertent error that appears to have occurred during printing of the ‘089 Patent.

Regarding the desired correction, Claim 1 in its current form has been published with a typographical error. In particular, Claim 1 currently recites “a hear spreader” as an element in of Claim 1. This element should actually recite “a heat spreader” and not a hear spreader. Claims 13, 22, 27, and 33 all correctly recite a “heat spreader” thus the Patent Owner believes that this publishing error associated with the ‘089 Patent was a mistake on behalf of the USPTO. The correction (to correct Claim 1 by changing “hear” to “heat”) is noted in the enclosed correction form (PTO/SB/44).

Patent owner does not believe that any fees are due at this time because the mistake in the patent incurred through the fault of the Office. The Commissioner is, however, authorized to debit Deposit Account No. 20-1507 if any fees are deemed due. Also, if the Office has any questions regarding this request for a Certificate of Correction, the undersigned respectfully requests the Office to contact the undersigned at 404-885-3696.

Respectfully submitted,

TROUTMAN SANDERS LLP
